

Improv for Lawyers

Professional Development with CLE Credits

IMPROVE YOUR CREATIVITY & ORATORY SKILLS

3 Substantive PA CLE Credits!

The basic principles of comedy improvisation can be translated to the legal environment. Lawyers must "think on their feet" daily and take on rhetorical and creative challenges. By learning improv comedy, you can gain access to new insights and improve your mediation, negotiation, and persuasion skills. The course is co-taught by comedy expert, Woody Drennan, and experienced arbitrator, mediator, and educator, Robert A. Creo. This immersive workshop isn't your typical CLE course. It's much more fun! Limit: 16 attendees.
